Subject: Bid # 08-102, Lift Station Sewage Pumps at the Jail Annex

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. I would like to know how many gallons the lift station has and how often it is going to be cleaned.

Bid # 08-102 is for the purchase of submersible sewage ejection pumps. The contract for cleaning the lift station has already been awarded to a contractor. But if you need to know the capacity of the lift station it is 5,000 gallons.
